

IN NEED OF A HEALING EXPERIENCE?

DO YOU DESIRE KNOWING MORE ABOUT THE ENERGY MATRIX OF OSAIN?

We have created a very unique opportunity for a small group of people to step inside the gates of Ola Olu into a journey with the plant-world and all that connects us.

THE OSAIN RETREAT SEPT. 24TH & 25TH

Infusing the interconnectedness of the Sacred Orisha Gardens with your core self!

A sacred journey will be created for each person.

It's all inclusive. Each person will live inside the retreat for 2 nights and 3 days.

Sleeping in the Inu house built into the tree tops overlooking our private preserve.

Delicious organic meals will be prepared for you as well.

**Here are a “few” ritual designs that will
be a part of your life-shifting healing
weekend journey...**

**Chanting with the plants... opening up
your senses... freeing self.**

**Go deep into different dimensions with
special vision quests ceremonies.**

**Be a part of working with the elders to
create 7 Orisha herbal potions...**

**And then experience a unique 7 chakra
portal opening series of rituals... using
these potions... clearing blockages...
expanding and healing all that is present!**

**Become connected to your core during
the sacred labyrinth walk of the 256 Odu.**

**End fears through several unique sacred
garden rituals. Ignite your inner fire with
sacred herbal fire rituals. Become more
attuned, more focused and ready for**

movement forward with several rituals designed for creating this intention.

Each person returns home energized, focused and with a strategy of what to use for continuing the journey using higher vibrational level connections... and of course with several new spiritual tools!

Included will be a rituals for expanding ways you can be communicating with your Guardian Ancestor through the plant world...V.I.P.

Each person will be a part of creating several spiritual teaching tools with Nana Buuken Priest Iyanifa Vassa and a select team of elders assisting with their deep connections with Osain. You will be taught how to use these tools and continue growing the seeds we plant.

Deep and unique. Quiet and nurturing! You will be living inside the sacred gardens the whole time... with access to alone time in each Orisha vortex. All the meals are included... organic and delicious!
